

## INTERNATIONAL CONFERENCE 2002 YOUTH PROGRAMS

### Programs for Babies and Toddlers

IC02 will provide a safe, stimulating environment staffed by professionals and parent volunteers to give the children of this group loving arms and a roaming area for comfort and fun. The program will cost \$20 per day and parents will be asked to volunteer a few hours to help out during the week.

### Truth Seekers Program for Older Teens

(limited to 30 participants on a first come first served basis)

Older teens will have a grand outdoor mountain adventure including a 13 mile whitewater rafting trip, high and low ropes challenge, and all the band equipment necessary to jam in their own club UB. In addition to helping plan their own program, there will be mysteries and ceremonies, traditions and transformations, and searches for answers to questions like...Why are challenges the spice of life? What the heck is spiritual growth anyway? Do you believe that acts of kindness can heal us and make us whole? Teens are invited to join an amazing adventure filled with fun and fantasy as they begin the journey of the Truth Seekers. For more details go to [www.urantiabook.org](http://www.urantiabook.org) and click on the IC02 logo; then look for the Truth Seekers Program listing. This program will cost \$150 per participant. If required, scholarship assistance is available.

### Programs for Youth 3-14 years of age

IC02 youth programs for youth 3-14 years of age will be provided by the nationally recognized YMCA of the Rockies Camp Programs. Space in these programs is limited so it is very important that you send the attached request form to the YMCA immediately to register your children for these programs. Please note that no other programs are offered by IC02 from 8:15 to 3:00 P.M. each day for 3-14 year olds. Parents will be responsible for their children during this period if they choose not to register in the YMCA programs. The three YMCA programs IC02 will use:

**Leggett Day Camp** (for kindergarten – 3<sup>rd</sup> grade) provides primary and younger elementary school children with fun-filled days of swimming, games, hiking, nature, horseback riding and a cookout.

**Bennet Children's Program** (for children 3 and 4 years of age) provides outdoor activities, nature crafts, short hikes, dramatic play, playground activities, pony rides and snuggling.

**Camp Jellison** (for 4<sup>th</sup> – 8<sup>th</sup> graders) is a well-rounded recreational program that emphasizes growth of self, friendships, and stewardship of the land. Activities include swimming, hiking, archery, horseback riding, mountain biking and cookouts.

For internet program descriptions see: [http://www.ymcarockies.org/epcprogram/day\\_camp/day\\_camp.htm](http://www.ymcarockies.org/epcprogram/day_camp/day_camp.htm)

These programs cost \$20 per day per child, with extra charges for optional activities such as horseback riding and mountain biking. If required, some scholarship assistance is available to help pay the expenses of these youth programs. If you require this assistance, please request it in the comments section of the registration form. You can cancel or adjust your child's registration for these programs at any time. Therefore, it is recommended that you complete the youth program registration process now to insure available space for your children.

**URGENT!** To enroll your children in these programs, you must complete the tear-off form below and send it to YMCA as soon as possible.
