

The background features a series of concentric circles in shades of blue and purple, creating a celestial or aurora-like effect. Scattered throughout are small white stars. In the lower right, the silhouettes of two people stand on a dark, jagged hill. One person is pointing towards the sky. The overall color palette transitions from deep blue at the top to a warm orange-brown at the bottom, suggesting a sunset or sunrise.

GROW GODWARD

INTERNATIONAL CONFERENCE 2014

The theme of IC'14 is Grow Godward, and its program reflects the many paths we take toward God. Held at the University of Massachusetts – Amherst, this conference brings us to New England, where America's Founding Fathers envisioned how a new nation might grow. We will envision how a new revelation might grow.

IC'14 is designed for everyone: parents and children, grandparents and grandchildren, young adults and teenagers, longtime readers of The Urantia Book and relatives of readers who want to understand what it's all about.

Join us in July 2014! Check out our website for more information - IC14.org
