

I trust that these suggestions are what you had in mind. If I've missed your intent please come back at me with more questions.

The idea of compiling a regional list of recipients is a very good one. It will be passed on to the Chairman of the Domestic Extension Committee in whose province such action would fall.

You might be interested to know that over fifteen hundred books have been shipped out since the 12th of October -- the official publication date. A few had to be displayed here in Chicago and also in Ottawa to comply with copyright requirements. I had the pleasure of walking into Kroch's-Brentano's Bookstore on Wabash Avenue and purchasing a copy. It gave me a queer feeling to see the book out on a shelf under the sign "Metaphysics."

I trust that some assignment will soon bring you through Chicago. It would be good to see you again. Until then, kindest regards.

Cordially and sincerely,
