

Hi My Friends,

A great way to introduce people to the book and bring new readers into your study group can be to use [meetup.com](https://www.meetup.com). This is a type of social/organizational media that is radically changing the way people are connecting!

You can see how the Omaha, Nebraska group has their [meetup.com](https://www.meetup.com) page set up. <http://urantiabook.meetup.com/cities/us/ne/omaha/>

You may want to have your introductions at a local coffee shop, church, or restaurant until you get to know these new people. But the ones I've met are sincere truth seekers. Think how the midwayers and angels can use this if we just put it out!

The organizer dues are only \$19 for one month and it goes down per month if you sign up for a 3 or 6 month subscription. It seems a small price to pay for some awesome advertising for the book. If you don't want to spend any money maybe your local Society or Study Group will go in on it with you. Or you can simply attend other peoples groups that may have a similar flavor and you can bring up The Urantia Book with them.

Some of the key words you can use are: [Metaphysical Book Studies](#), [Self Empowerment & Exploration](#), [Metaphysics](#), [Spiritualism](#), [Life Transformation](#), [Spirituality](#), [Angels](#), [Urantia Book](#), [The Urantia Book](#), [Urantia](#) , etc.

Our Celestial Helpers need YOU! People are so hungry for this revelation. Let's not let them down!

All the best,  
Andrea Barnes
