

I [a Universal Censor acting by authority from the Ancients of Days resident on Uversa] am of origin in the Paradise Trinity. I know the Trinity as unified Deity; I also know that the Father, Son, and Spirit exist and act in their definite personal capacities. I positively know that they not only act personally and collectively, but that they also co-ordinate their performances in various groupings, so that in the end they function in seven different singular and plural capacities. And since these seven associations exhaust the possibilities for such divinity combination, it is inevitable that the realities of the universe shall appear in seven variations of values, meanings, and personality.
