The Isle of Paradise

The Central Universe

The Grand Universe
 "The Seven Superuniverses"

The Seven Master Spirits are the supreme and ultimate representatives of the Infinite Spirit. They maintain their personal stations, their power focuses, on the periphery of Paradise, but all operations concerned with their management and direction of the grand universe are conducted on and from these seven special executive spheres of the Infinite Spirit. The Seven Master Spirits are, in reality, the mind-spirit balance wheel of the universe of universes, an all-embracing, all-encompassing, and all-co-ordinating power of central location. [UB 13:4:2 (150:1)]

Each Master Spirit maintains an enormous force-focal headquarters, which slowly circulates around the periphery of Paradise, always maintaining a position opposite the superuniverse of immediate supervision and at the Paradise focal point of its specialized power control and segmental energy distribution. The radial boundary lines of any one of the superuniverses do actually converge at the Paradise headquarters of the supervising Master Spirit. [UB 16:0:12 (184:12)]
